If you know anyone who would like to learn more or if you'd like to dig back into the Essentials of your faith. You are welcome to join one of these classes.

You will also find a Bible reading plan published here as well.

Member Connection

If you would like a copy of the most up-to-date member directory that we have, please contact the church office or one of the pastors to request a copy. We are happy to email it or put it in the mail to you.

This is our church

This our church and our ministry that we are carrying out together. This our ministry, a ministry that we are carrying out together through the offerings that God's people give. We would ask that, as God cares for you, that you would also continue to support the ministry of Mount Lebanon. The offerings we give is one of the ways through which we honor our God and partner to do this work of getting the gospel to all people.

Here are two additional ways in which you might support our ministry together at Mount Lebanon:

- 1) **Benevolence Fund.** This fund exists so that if a member is need of financial assistance, we might be able to meet that need. We also fill the Food Pantry with money from the Benevolence Fund. There is a great need among us.
- 2) **Mahnke Student Aid Fund:** This fund exists to help Mount students attend Luther Prep School or other WELS high schools. We typically provide scholarships on the basis of the earnings from the fund. There are no earnings because of the drop in the stock-market. We would like to invite you support these students who are considering full-time ministry as well.

Should you at any time need any assistance (food, financial, etc.) please do not hesitate to ask! Call either of your pastors, Mike Schuessler, or any of our leaders. We are eager to care for you and to support you now, in these difficult days, and in the days to come.

We are and remain in his grip! Pastor Nate

For Your Prayers

For **John**, the fiancé of **Stacia Smith**, has died from COVID-19. Keep Stacia and her family in your prayers..

God has heard our prayers. Yet, continue to pray for **Roo Bublitz**, the brother of Pastor Bublitz. As of Thursday (4/17), he has taken miraculous steps forward in his recovery and rehab. Continue to pray.

For **Evelyn Wilson** who fell at home and has been hospitalized. She did not break any bones.

For **Kaitlyn Ceasar**, who has been called to serve as a teacher in our sixth grade classroom.

For **Linda Delay**, the sister of **Karen Runge**, who is now recovering from surgery to remove cancer. She will begin radiation when she recovers.

David DeLay, the nephew of **Karen Runge**, whose mother is now facing cancer while he still finds himself in difficult circumstances.

For **Jan Georgson**, Leanne Ross' sister, who continues to battle her brain tumor radiation and chemo for a brain tumor and the complications surrounding it.

Ivan, the father of **Mike Pingel**, who's health is declining due to Parkinson's and other health issues.

Scott Heiman (a family friend of the Anderson family) whose cancer has spread to his bones.

Pray for **Dennis Reed**, the brother-in-law of Brenda Joers, who will undergo a serious operation soon.
