## **Community Clean-Up**

Mark your calendars! We love our community and are planning a community clean up on Saturday, June 20. Stay tuned for more information for this wonderful way for us to serve our community.

## **Grass Cutting**

Let's take care of our campus and property. Please contact the church office to sign-up to team up and take care of our grass for one week.

## **Food from the Mount 2020**

Thank you everyone who has helped with Food for the Mount. We have canvassed nearly 2000 homes and distributed hundreds of bags of food. We have received cards and calls thanking the people of Mount Lebanon for their love and support.

So that we can focus on the community clean up on June 20, we will pause our Food from the Mount effort for the time being. Let's pour ourselves into one big thing to show love and support to our community.
